

ORE CART RACES 2022

Bohemia Mining Days 2021 saw the birth of a brand-new event – the first ever Ore Cart Races. That first year 8 teams of miners and tommyknockers raced into the history books. Through a very competitive contest, three teams now grace the permanent trophies.

This year the race has moved to 10th Street and the ground zero for all things Ore Carts will be the Bohemia Gold Mining Museum (BGMM) – 308 S 10th Street, an easy stroll from the carnival or Bohemia City/Coiner Park.

The museum will be open and you can see real ore carts and other mining artifacts while learning of the colorful history of the Bohemia Mining District which we honor each year at BMD! The Bohemia Mine Owner Association will have some of their equipment set up and running to get you into the spirit of race. Ore carts will check in at the BGMM and have a pit area for crews to assemble and rest. And of course, here is the place to see all the action as Ore Cart teams square off to earn honor, glory, and the prize money in what promises to be an exciting race on Saturday starting at High Noon!

Here is the schedule of all the Ore Cart action!

Friday, July 15

1:00pm until 7:00pm – Ore Cart Check-ins at Ore Cart Central Bohemia Gold Mining Museum (BGMM), 308 S 10th Street - track open for team practice

Saturday, July 16

11:00am – Teams report for pre-race check in, BGMM.

12:00pm – First Heat at BGMM

Race runs until all teams have competed and we have clear 1st, 2nd, & 3rd place winners determined.

8:00pm – Presentation of winners and awarding of prizes and plaque recognition – Bohemia City/Main Stage.
